

Transitions CERTIFIED PROGRAM

LEVEL UP AS A TRANSITIONS® EXPERT

Help satisfy more patients and deliver confident, personalized recommendations by growing your expertise in light management and *Transitions*® lenses. Complete 5 interactive modules optimized for any device and at the pace that's right for you - you can pause and come back at any time. Whether you are just starting your eyecare career or are a seasoned professional, you can learn something new.

Learn how to engage with patients about the latest innovations - including our NEW product *Transitions*® GEN S™ lenses - and become recognized as a *Transitions*® Expert.

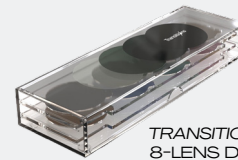

GET RECOGNIZED

Get access to materials designed to better prepare you to talk to your patients about light management and earn:

- Access to a *Transitions* GEN S 8-lens demo box and UV lamp* to better showcase *Transitions* lens technology and style (while supplies last)
- A certificate recognizing your *Transitions*® Expert status

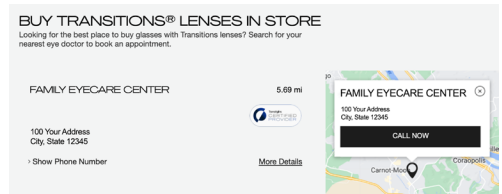

UV LAMP

TRANSITIONS GEN S 8-LENS DEMO BOX

BECOME A TRANSITIONS® CERTIFIED PROVIDER

When one member of your independent eyecare practice becomes a *Transitions*® Expert, you are also recognized as a *Transitions*® Certified Provider** with a special badge on the *Transitions.com* store locator.
